CHÂTEAU DE PRESSAC 2019

Saint-Émilion Grand Cru

Compared to the En Primeur, the oak barrel aroma of Pressac 2019 is much softer, and I can see the picture of flowers blooming and spices flying without difficulty. The minerality and elegance gifted by the limestone plateau are perfectly displayed in this wine. Clear and juicy of taste, sweet and supple of body, and full of feeling of smiles from beginning to end, it is a veritable wine of terroir.
