## Saint Emilion Sensations 2018

**Château de Pressac** – A whopping 36 hectares of prime terroir! The estate takes advantage, too, of the 17% Cabernet Franc and 9% Cabernet Sauvignon planted. The 2018 exhibits a lovely nose, rather fresh, floral and fruit driven. Perhaps the best that I can recall tasting *en primeur*. There is a touch of that oak derivation on the finish, but not as pronounced as in other vintages. And the alcohol is well integrated. Overall quite smooth. Nice! 92-95
