Jane ANSON

Château de Pressac 2019 : 93

Deep inky damson in colour, fairly closed on the nose although it opens up after a few minutes in the glass. It has soft tannins and this is packed with well expressed blueberry and raspberry fruit, clear spice and a black pepper spike through the finish. Always an enjoyable wine, with touches of both Carmenère (2%) and Malbec (1%). 65 % new oak. A yield of 40 hl/ha.
