Bordeaux Arrivage Part 2

The second part of the arrivage tasting of the 2018 vintage from Bordeaux features a wide array of wines with some great surprises. The quality of the vintage 2018 is fully confirmed with a number of wines performing better than they did before en primeur.

Vintage	Wine	Appellation	Rating	Tasting Notes
2018	Château de Pressac	Saint-Emilion Grand Cru Classé	93	Intense purple colour with violet hue and almost black core. Delicious aroma reminiscent of dark berries and black cherries with hints of candied orange peel and flowery touches, backed by fine toasting aroma reminiscent of dark chocolate, cocoa powder and hints of freshly ground coffee. On the palate well balanced repeating the aromatic impression of the nose, velvety tannin and fine acidity. A very convincing wine with delightful depth and length.
