## Primeur week tastings

### **Château de Pressac Tasted by Jane Anson 93**

A classic and well-sculpted Pressac in profile, concentrated and juicy with plenty of white pepper and peony floral edging. Tasty and enticing, pared back but with a punch underneath that steals up on you. This is good, with ripe blueberry and raspberry fruits set against a sharper redcurrant and cranberry finish. A yield of 34hl/ha. 1% Malbec and 2% Carmenere complete the blend.
