BORDEAUX EN PRIMEUR 2021

This Falstaff En Primeur assessment 2021 is based on barrel samples shipped by the châteaux, tasted by wine editor-in-chief Peter Moser in Vienna. Dr Ulrich Sautter, wine editor-in-chief for Falstaff Germany, was in Bordeaux to taste the wines of those estates that were not able to furnish samples to be sent to Vienna. This list will be updated as further wines are evaluated and scored.

Château de Pressac 2020 – St Emilion

Dark ruby, opaque core, purple reflections, brightening at the rim. Fine spices underpin ripe plum fruit, a hint of liquorice, discreet noble wood nuances and a touch of tobacco. Juicy, elegant and fresh, well-structured, ripe cherries, mineral and persistent; a multi-faceted companion at the table.
