## Château de Pressac 2020 St-Émilion

Dégustation : 07-04-2021

A boire : 2025 - 2042

Rating : **16.5/20**

*Full bottle 1,375 g. Cask sample taken 7 April.*

Deep purple. Not the most intense nose but with some suggestion of welcome drive. Lots of juice and mellow ripe fruit without too much exaggeration. Though the tannins seem less obvious than in some of its peers – skilfully hidden perhaps? You could probably drink this earlier than some of its neighbours but the wine has local integrity and is nicely done.
