

BORDEAUX 2018 : ST EMILION GRAND CRU CLASSÉ

Château Tour de Pressac 2018 : This is the second wine of Château de Pressac, which has the grand cru rather than grand cru classé status. The aromatics here show a fresh and ready aromatic character, wild hedgerow fruits nuanced with a touch of pepper and praline. The palate feels a little loose, with gentle black fruit substance with notes of dry earth and black pepper all underpinned by gently integrated tannins. Quite lively and I would think this will be ready to go in just a year or two, no longer than that. **89/100**
